LANDMARK CERAMICS

LANDMARK

A new landmark in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

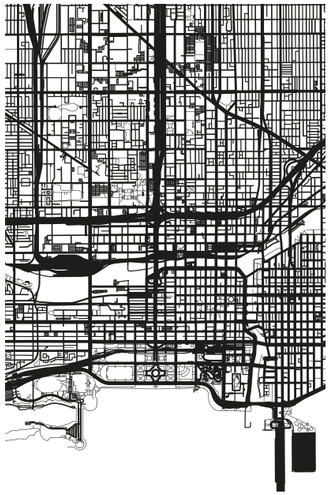
DESIGN WORK DW LANDMARK

"Design Work" is a framework of ceramic surfaces for contemporary architectural projects. The floor and wall collections play with evocative materials drawing out sophisticated ceramic combinations wtih new design materials. Design Work is synonymous with design freedom: the colors are chosen to maximize the possible combinations between collections and within them. This creative freedom is dynamic and durable, thanks to the technical characteristics of porcelain stoneware, for use in a variety of elegant, modern residential and commercial environments.

Masterplan DW

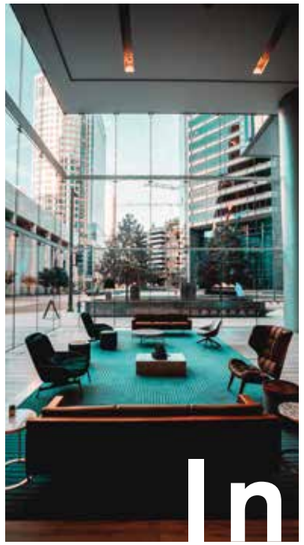
METROPOLITAN SOUL

Masterplan is the **iconic minimalistic stone look** that embodies the elegance of an **urban style** thanks to the slight movement of the graphics and a contemporary color palette. With a broad range of sizes, finishes, and colors, the collection offers complete freedom to design indoor and outdoor spaces as well as **in&out transitional** areas without stylistic and chromatic discontinuities.



Follow
the city style.

Inspired by the **metropolitan shades**, Masterplan guarantees a solution to any design trends thanks to the **soft finish and the delicate color palette**. The **Stone look** colorations perfectly find their destination in any residential settings as well as high-traffic commercial area, wherever high durability and resistance are required. The refined industrial character gives the space a captivating style for an original design full of combinations.



Reach the highest **versatility.**

The **modularity** among Masterplan tiles and porcelain surfaces coming **from other Design Work** collections allows to design a refined setting combining textures of different inspiration. Stone and wood effect blend in a space suited for those who are looking for an industrial chic look, without losing elegance.

SUSTAINABILITY

RECYCLABLE

Tiles can be recycled inside the production process when not fired yet, or once they have finished their life-cycle can be used as compact base material on the contrary many plastic base material such as vinyl cannot.

SUSTAINABILITY

ECO-FRIENDLY AND SAFE

SUSTAINABILITY

ENERGY EFFICIENT

Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

SUSTAINABILITY

FLOOR HEAT FRIENDLY

SUSTAINABILITY

VERY LONG SERVICE LIFE

Tile when properly installed and maintained can last for decades.

SUSTAINABILITY

COST SAVING OVER TIME

Thanks to its long service life and easy maintenance, porcelain tile is very cost effective over time when compared to flooring products that need to be replaced more frequently.

HEALTH

PREVENT BACTERIA GROWTH

Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

HEALTH

ZERO ALLERGENES

Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

HEALTH

ZERO SMOKE DEVELOPMENT

Tile never gives off toxic fumes, even when exposed to fire.

HEALTH

ZERO FORMALDEHYDE

Formaldehyde is known to lead to an increased incidence of asthma.
Tile has zero formaldehyde.

HEALTH

ZERO PVC ZERO VOC

Tile is completely PVC and VOC (volatile organic compound) free that means a healthier home for you.

HEALTH

PLASTIC FREE

Tiles are free from any PBM (Plastic Base Material) materials used in vinyl and LVT.

HEALTH

NATURAL INGREDIENTS

Tile is made of clays and other naturally-occuring minerals and does not contain chemicals with potential adverse health effects (pvc, voc, formaldehyde, plastic etc...)

SAFETY/DURABILITY

SCRATCH AND DENT RESISTANT

Tile is strong, hard and resistant to most type of scratches. Tile also, being an extremely dense material, doesn't fear any denting damage, like many others flooring materials do.

SAFETY/DURABILITY

FADE AND UV RESISTANT

SAFETY/DURABILITY

RESISTANT TO ACID

SAFETY/DURABILITY

WATER PROOF

Tile is very compact and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

SAFETY/DURABILITY

FIRE PROOF

Tile doesn't burn, melt or give off toxic fumes when exposed to fire.

SAFETY/DURABILITY

DOESN'T BEND

Tile is hard and compact.

SAFETY/DURABILITY

PET FRIENDLY

Tile is both dog and cat scratch proof.

SAFETY/DURABILITY

RESISTANT TO FROST

Tile is snow and ice proof.

EASY CARE

STAIN RESISTANCE

EASY CARE

EASY TO KEEP CLEAN

VERSATILITY

FLOOR AND WALL

Tile is ideal for both floor and wall application indoor and outdoor.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

MATT & GRIP FINISH

RECOMMENDED USE

Masterplan matt finish is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential applications. The use of Masterplan matt finish is not recommended for outdoor floors (for that application use Grip finish or Frontier20). Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at **lcusa.com**.
