— COLORWORKS

■

Tired of the same old boring tiles?

COLORWORKS is here to breathe new life into your space. These handcraft-ed pressed subway tiles, inspired by the timeless beauty of English brick, offer a unique blend of history and modern design.

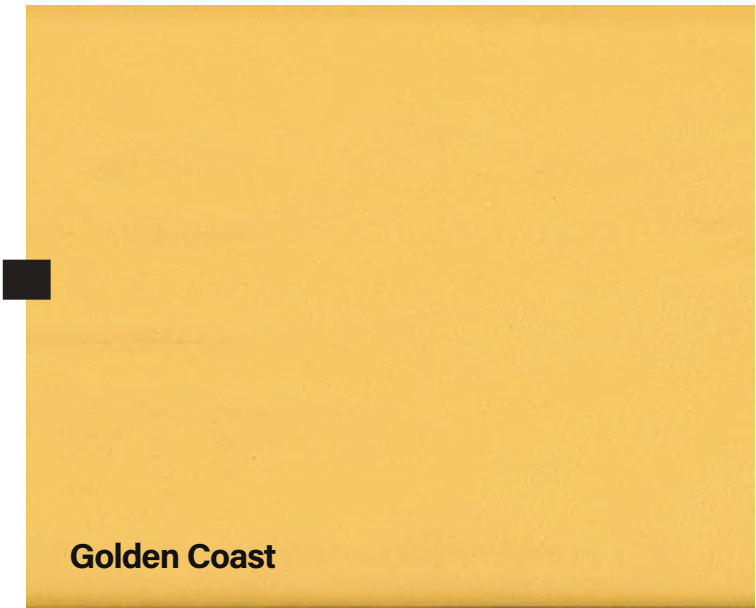

■

Create a breathtaking centerpiece in your home or business.

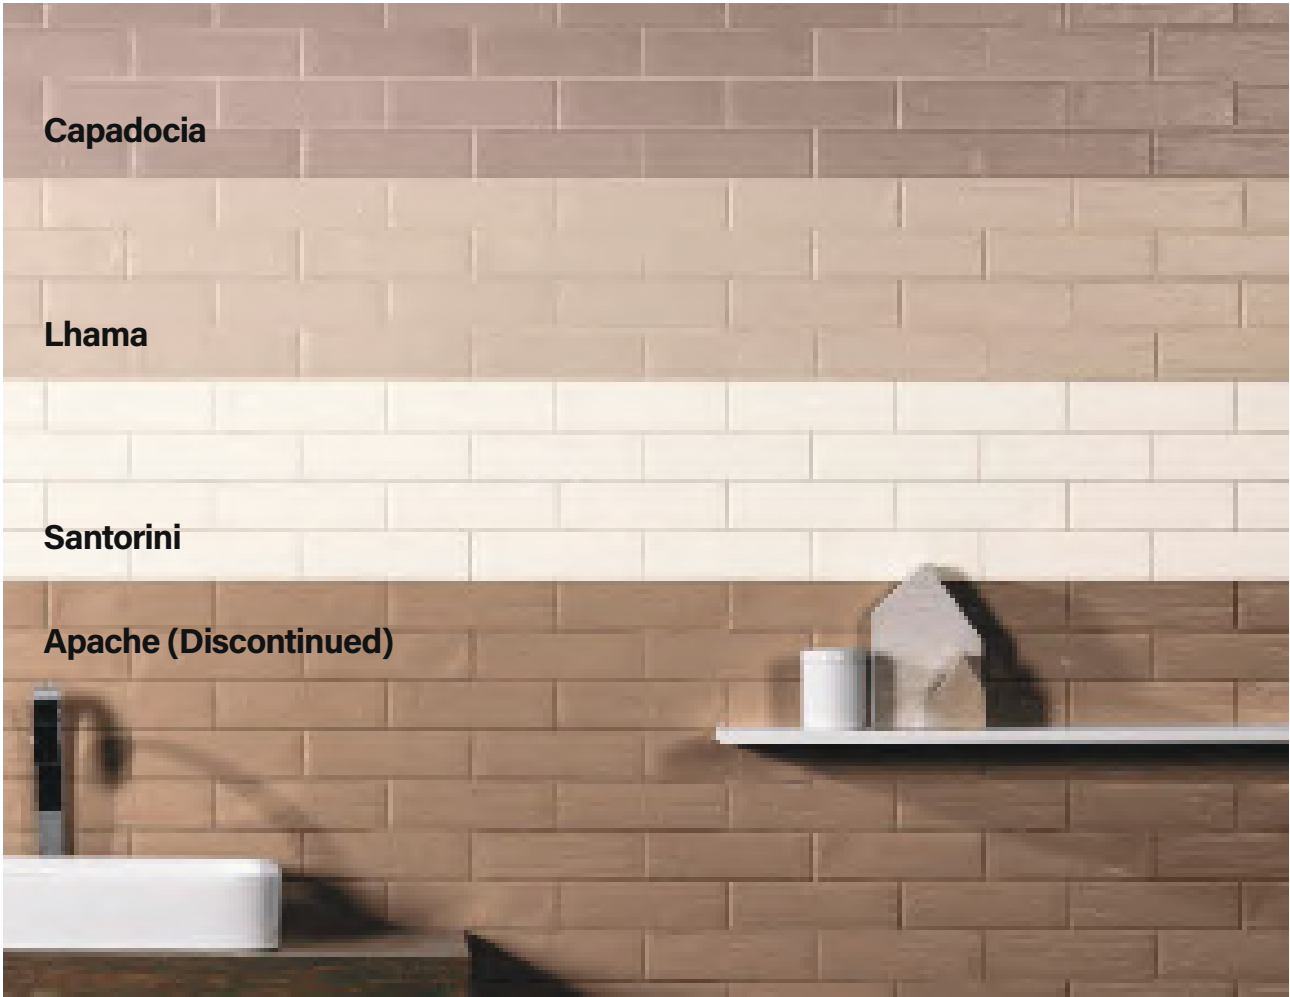

This 3x9" tile features dynamic surfaces and a matte finish, inviting you to create an atmosphere that will make your walls the centerpiece of any room. Offering an impressive 38 colors, this expressive palette ranges from earthy greens and neutral blues to vibrant yellows and rich reds.

Crafted with care and respect to an old tradition

Each hue has a unique meaning, reflecting the original brick's rich history and cultural significance. Beyond their aesthetic appeal, our tiles are also durable and easy to maintain, ensuring long-lasting beauty in your home or business.

Golden Coast
